Bob,
It's really a
shame that we
didn't have a
chance to know each
other better this year.
I have enjoyed knowing you
you, though, and having you
in my Gov't class. The best of
luck in the future. I know
you will go far.
Love
Linda

Rob,
 anytime you want to know

To the Graduating Class of 1969

I want to take this opportunity to wish you all the best of luck. Your teachers and I hope that you will be successful in all of your future endeavors.

Yours is the fourth class to graduate from Jefferson, and the first to have spent five years here — grades eight through twelve. We hope that these have been good years for you, and that you feel well equipped for the challenges that lie ahead.

This may sound trite or too often repeated, but you are graduating in a difficult time. It is, however, a time of many more opportunities in life than that faced by earlier classes. I know that you can succeed, regardless of your goals, if you are willing to keep your sights high, and to remember that nothing good comes without plenty of effort and hard work.

It has been a great pleasure for me to know you and to work with you. The class of 1969 has been a wonderful class, and you have contributed greatly to the success of the school. Please come back to visit us, keep us informed of your whereabouts, and let us know how we can help you at any time.

Mr. Jordan, our principal, hard at work.

ASSISTANT PRINCIPALS

Without our assistant Principal for Instruction, Mr. Bernard, the management of arranging for substitute teachers, approving field trips and providing for textbooks and equipment would be utter confusion.

With the organization needed to keep the school running smoothly, Mr. Bernard plans the curriculum and the supervision of instruction. He is also the one in charge of unlocking the display case. By introducing new methods and ideas to teaching, Mr. Bernard helps to make our years at Jefferson as interesting as possible.

GLENN J. MUHLE
B.A. in Ed., Wayne State
M.Ed., University of Va.

Mr. Muhle's duties are those which most closely involve the students. As Jefferson's new Assistant Principal for Administration, he deals with attendance records, checking cars for parking stickers and checking buses as they arrive. Despite the fact that his job includes the disciplining of students, Mr. Muhle is still well liked by both the faculty and student body.

"I don't know."

A.D.P. stands for Automatic Data Processing, which involves the use of IBM machines and other complex pieces of equipment. The assistants in A.D.P. have more jobs than all other assistants in the school. Although Mrs. Priestly does most of the general work, the helpers she has assist in making the absentee lists everyday; and at the beginning of school, they helped schedule the new students, dealing with the transfers and withdrawals. These people, under the guidance of Mrs. Priestly, confront and endure the constant churning of the machines through the day to make life easier for us.

SCIENCE

A new teaching approach, group study, is being employed in biology which should make the scientific venture a bit more appealing.

Group study is designed to utilize the objectives of independent study while providing the opportunity for students to be involved in group activities and discussions. This approach gives the student a large role in determining classroom activities and allows him to proceed at his own pace with the teacher serving as a resource person and guide rather than adhering to the traditional methods of teaching.

The class is divided into three groups and each group is assigned a different starting point in the text. Each group determines its own schedule and works as a unit in covering the subject matter. The group schedules should include time blocks for reading and discussing textual material, performing labs, usage of resource materials, and the pursuit of individual interest in the area of biology.

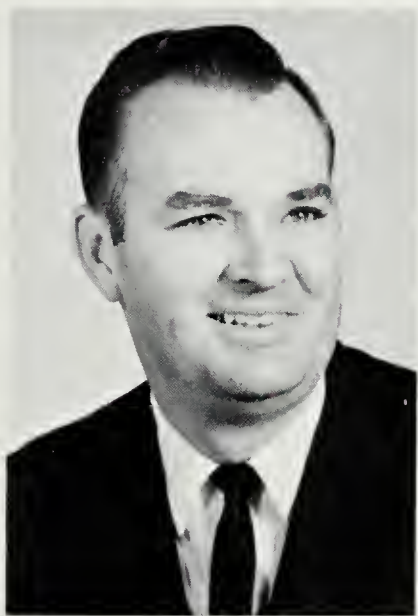

This approach not only provides the student with more academic freedom, but it will also enable him to form desirable study habits that will aid him in the adjustment to college life.

Time, Space, and Matter is being offered this year for the first time. This course was developed as a secondary school science project at Princeton University with the support of the National Science Foundation. Its primary objective is to help the student define his physical world.

With mankind standing on the threshold of space, this course will enable the student to better understand the scientific advancements of the next few years.

PITNER

Gary McLaughlin reaches for a touchdown pass.

The Jefferson Varsity Football team had the most successful season in the school's history, consisting of three wins, one tie and six losses. Grueling summer practices paved the way to a much improved record.

The team started off slowly by suffering losses to Madison and Lee. The turning point of the season was Jefferson's well-earned victory over Herndon. The following game with Langley resulted in a spectacular fourth quarter come-back by the determined Colonial team. Then followed a brief losing streak of three games, Fairfax, Falls Church and Woodson. The streak was soon broken by a tie with West Springfield. Next was a disappointing loss to Annandale. The final game proved to be the highlight of the year. The Jefferson Colonials came through with a fabulous victory over the first place Stuart Raiders — an exciting wrap-up to an eventful season.

There were several outstanding individuals on the team. Chris Westcott was named to the first All-Northern Regional and District teams, the second All-Metropolitan team and was named the team's Most Valuable Back. Other honored players were Stu Simon, Most Valuable Lineman, and Joe Dye, winner of the Sportsmanship Award.

A joint effort of all the football coaches, led by Coach Peterson, guided the Colonial football team to an unforgettable season.

The members of the Jefferson Cross Country team showed much potential and improvement this year. Out of ten lettermen, five will be returning next year to produce an even more successful season. Outstanding performances were given by Tim Crowley, Keith Stevens, Ross Catlett, and George Lutz. Placing high in the Regional Meet was an exciting conclusion to a fruitful year.

The Varsity team plans a new strategy.

The Varsity Hockey team opened a record season with an exciting 2 to 1 victory over an experienced Stuart team. By utilizing the superior teamwork necessary to defeat an opponent, Jefferson completed the season with a 4-3-1 record. The highlight of the season was the victory over a previously undefeated Groveton team. Susan Graham also set the school's record for the most goals scored in one season with six. Marked by determination and supreme effort, the 1968 team will long be remembered.

Off to a flying start with three exciting wins, the Varsity Basketball team promised to give one of the best seasons in Jefferson's history. Next came a disappointing loss to Stuart, but the team recovered quickly, winning the next two games. The game against West Springfield was won in overtime on John "Frog" Hedlund's layup, and the victory over Falls Church was sparked by the heroics of Steve Sexauer.

A loss to Woodson was followed by an easy victory over Lee, then by a loss to Annandale.

Then came one of the highlights of the season. In a win over Madison, T. J. broke the eight-game winning streak of the Warhawks, who were then champions of the Great Falls District. For the first time, Jefferson placed on the list of the top 20 teams in the Washington area.

In the last game of the season against Fairfax, Jefferson won easily. With three minutes left to play, T. J. emptied the bench, giving next year's seniors valuable playing experience.

The Varsity team broke many records. Among these are the records for the most points scored in a season, highest shooting percentage, and least amount of points given up.

Tim Hagen set a record for scoring the most points in a season and for having the highest point average, while Sam Paseoe broke the record for most rebounds and had the highest shooting percentage.

Among the personal awards given were: Tim Hagen—Most Valuable Player; Sam Paseoe—Highest Rebounder; Frog Hedlund—Outstanding Defensive Player; and Steve Sexauer—Sportsmanship Award.

The 1968-69 season was one of T. J.'s best, with an overall record of 13-7. With the addition next year of some of the players from this year's junior varsity, the 1969-1970 varsity team should be great.

Kneeling, left to right: Mgr. Tom Marshall, Warren LeGarie, Steve Hedlund, Richard Spaulding, Kevin Cassidy, Joe Dezarn. Standing: Mike Barbee, Jim Roberts, Greg Groghan, Jim Craft, Steve Sadoti, Robert Stroup, Carl Summers.

Whatever it takes to make a winning team, the junior varsity team this year really had it. While breaking more records than it is possible to name, they went on to establish a season record of 19-1 and became Northern District Champions.

The J.V. team won several very close games, and lost only one — a heart-breaking close game in overtime with the undefeated Marshall. Unfortunately, the team was unable to reach its full season scoring potential due to the loss of Carlton Summers for the last 3 games. Steve Hedlund did an admirable job filling in, and the team kept on winning. Final results showed that they averaged 59.6 points per game, and set a record for assists as well as having a high shooting percentage.

Several individual performances should be noted also. Carlton Summers had the highest field goal shooting percentage. Warren LeGarie had the highest scoring average per game, and led in assists. Jim Roberts excelled in rebounds and had the highest number of total points for the season. Jim Roberts and Greg Croghan tied single game rebounding records with 20 in one game.

One of the team's strong points was their balanced scoring with 4 players averaging ten or more points per game. These people were Warren LeGarie, Carlton Summers, Jim Craft, and Jim Roberts. Jim Craft, in the game with Madison, tied the single game scoring record with 25 points. The steady defense of the team was a contributing factor, holding the opposition to 45 points per game.

The J.V. team gave the best year in Jefferson's history, and the prospects for next year's Varsity team are more than bright indeed.

Sue Tracy goes up.

The Girls' Varsity Basketball Team, captained by Debby English and Sue Tracy, finished their regular season with four wins and eight losses and then defeated Groveton and Oakton in the Fairfax County Sportsday. The team established a new single game scoring record of 69 points against Fairfax.

High scorers for the season were Sue Tracy with a 16 point average and Jeanne Palmer with an 11.3 average. Sue Tracy was high rebounder in the offensive court while Debby English and Suzanne Spurlock shared the defensive honors. Sue Tracy, Jeanne Palmer, and Susan Graham led in pass interceptions. Patty Foder was a valuable asset on both offense and defense.

With only two returning Junior Varsity players, the Junior Varsity team brought forth several outstanding players this year. Defensive stars were Jan Gluch and Martha LeGarie. In the Woodson game, Jan Gluch grabbed a total of twenty-eight rebounds and interceptions.

Stationary forwards who saw a great deal of action were Karen Hardison, Kathy Kramer, Darlene McArtor, and Janet Perkins. Rovers who made valuable contributions were Diana Knapp, Laurie Kochanek, Janet Stewart, and Sandy Stone.

During the game with the previously undefeated Hayfield team, the Junior Varsity team broke the scoring record for a single game with thirty-nine points. Also, Darlene McArtor was highest scorer for a single game with nineteen points. In the final game, a determined and tremendously improved team, sparked by Kathy Kramer, led the Marshall team the entire game.

The team loses three outstanding Senior wrestlers for next year: Co-Captains Wayne Short, Cliff Kevill, and Stuart Simon.

Jefferson's first Freshman team had an excellent season, with five wins and one loss. The J.V. team had another winning season with seven wins and four losses.

With many returning Lettermen, and a winning J.V. and Freshman team, Coach Rayburn is looking forward to next year as one for T.J. to move up and be recognized as a top wrestling power in the Northern Region.

INTRAMURALS

Flag football received the major emphasis during the winter portion of this year's intramural program. From the opening whistle until the final gun sounded, the season was marked by hard-hitting and fierce competition. Ten teams participated in a double elimination tournament which took place after school. For these ten teams, Denny's Devils emerged as the champions. Various other intramural programs offered during the school year included boys' basketball, and a very full schedule of girls' track, gymnastics, tennis, and volleyball.

Queen Leslie Wood and Craig Falk dance the first dance.

Tooting horns, uproaring cheers, and flying confetti. Far from being a New Year's celebration, these were typical sights and sounds at the football game which triggered the annual Homecoming weekend. This year the theme was "Fantasy" which both the parade of floats and the dance, followed in complete decor. With a few minor difficulties, the floats made by all four classes and several service clubs paraded around the football field, prior to the procession of cars carrying the Queen and her court. The thrilling game ended with a tie of 6-6 with West Springfield.

As the next night approached, anticipation and excitement ruled the spirits of the crowd. The Senior float "Ferdinand the Bull" at the door, gave couples the fantasy-land air of the elaborate Homecoming Dance. The anxious moment arrived as Queen Leslie Wood was presented, attended by her Maid-of-Honor, Chris Bonham. The music of the Plum Beach Incident wandered through the minds of many as the whirlwind of activities reached a climax. Homecoming 1968 would be one hard to surpass.

Not far from here the American jewelry industry was born . . .

Its birthplace was a tiny shop in a village on the Boston Post Road some ten miles north of the Rhode Island line. It was there, in 1790, that a foreign artisan, whose name history has lost, introduced the art of manufacturing gilded buttons. The jewelry trade took root and in the early 19th century began to flourish. A tradition of craftsmanship and a legacy of skills were established in the area. Today, working with and alongside the sleek machine tools in Balfour factories in Attleboro and North Attleboro, are craftsmen whose fathers, grandfathers, and great-grandfathers plied the trade before them here in the heartland of the fine jewelry industry.

Bob,
 It's really
 happened, we're
 finally getting out of
 Father's class and you
 graduation. I hope you
 have a good summer and
 fun, fun, fun in college.
 Love ya'll,
 Rita

GOODBYE, PLEASE

With those who feel the faculty advisor should remain anonymous, I agree. But circumstances do alter cases. Today is deadline day for the last few pages of this book. The last page, customarily reserved for the student editor, is not ready, and our editor is absent, sick. Someone should say our thanks to all the good people who helped us with this year's book. This gives me an excuse to come out of hiding, and say a personal thanks and goodbye after five years as advisor for the *Jeffersonian*.

Very early the 1969 staff showed even more independence and even greater desire to do things for themselves, in their own way, than any of the previous staffs had shown. They have been allowed maximum freedom to plan and prepare the materials for this book as they wished. This is, in the fullest possible sense, *their* book. They have worked harmoniously and with sustained enthusiasm. Their morale has been high, and they have seemed to me to enjoy the experience tremendously.

These young people have confirmed once more my observation that the *Jeffersonian* staffs each year include some of the finest students this school can claim. Knowing them and working with them has been much fun and satisfaction for me. They have taught me more about pliable, viable youth than I have taught them about yearbooks. My parting thanks and salute to them all!

The loyalty and understanding of our principal, Mr. William H. Jordan, typical of his relations with all of his staff and faculty, are deeply appreciated. His generosity has been mirrored by that of his teachers and administrative staff toward the yearbook operation.

George Deal of LaMont Studios helped us publish our first yearbook in 1964-65, and in each one since, including this one, his portraits and special photography have appeared. We admire the skill and craftsmanship that mark his work, and thank him for the prompt, efficient service he has always given us.

Hunter Publishing Company of Winston-Salem, N. C., has published all our yearbooks. Their painstaking care in the treatment of our materials, and the superb quality of their finished product, have been very largely responsible for the fine reception our yearbooks have enjoyed. To them, and especially to their representatives in this area, Mr. Charles Perry and Mr. James Ellis, for their patient advice and help, we are grateful indeed.

We have an incredibly talented and versatile neighbor, Mr. Charles Baptie. He builds his own house, tunes and overhauls his own auto engine, teaches himself to play the organ, flies airplanes, runs a thriving printing establishment, and is an eminently successful photo-illustrator. He is also a Good Samaritan, generous to a fault with his friends. Time and again he has helped us out of a jam, with technical advice, help from his printing presses or his photo lab, or the use of his own photos. We are fortunate to have enjoyed his friendship during my time as yearbook advisor, and we thank him warmly for many favors.

We will keep pleasant memories of "Speedy" Priestley and the whirring clackety-clack of her ADP room, where the impossible only took an extra few minutes; and of Elizabeth Button's long-suffering smile as she accepted our interruptions to count our money, write our receipts, look up our balance, or help us in many other ways.

And so on and so on . . .

With thanks to all these kind people, and best wishes to the sponsor and staff for 1970 —

For the 1969 Jeffersonian editors —

First day of spring, 1969. As Mr. Jordan would say, the end is in sight!

Bob,
To a great guy! What
would I have done
without you in typing?
lots of luck in the future
I know you'll go far!
Raise hell this summer but
stay out of trouble!
Love ya,
Dumney Earley

Dear Mother
 I have just
 received your
 letter of the
 11th inst. and
 am glad to
 hear from
 you. I am
 well and hope
 this finds you
 the same. I
 have not much
 news to write
 at present. I
 am still in
 the same place
 and doing the
 same work. I
 hope to hear
 from you soon.
 Love

SUPPLEMENT TO
THE JEFFERSONIAN
1969

The telling point of this year's varsity baseball team was their inexperience. With only three returning lettermen, the team lost five of their first six games. However, the team rallied to win seven games in a row, and finished with a 10-9 season record, placing third in the district. Pitchers for the team were senior Dennis Weaver, junior Jeff Hunt, and sophomore Sam Rodenhizer. Leading hitters were Jeff Hunt, with a .344 average, and John Hedlund, with a .309 average. One of the outstanding players in Northern Virginia and the outstanding catcher was team captain Joe Bochy, who also led in home runs and runs batted in. Kevin Orton, who covered third base, was voted outstanding defensive player, and Joe Bochy was voted most valuable player. Kevin Orton, along with Warren LcGarie, formed a strong infield defense, and were instrumental in setting a new record for double plays in a season. Chris Westcott and John Hedlund were outstanding defensive outfielders in the district. This year's team gained valuable playing experience, and the loss of only five seniors insures a good nucleus for next year's team.

With a record of 6 wins and 4 losses, Debbie English set a pitching record of a 6 win—1 loss season. Carol Reiter lead the team in base hits and Laurie Kochanek had the highest batting average. Along with 5 returning starters next year, the Varsity Softball team plans to continue their winning streak with the coaching aid of Miss Birch.

JUNIOR VARSITY SOFTBALL

This year the Junior Varsity Softball team broke even with a record of 5 wins and 5 losses. Next year there will be 7 returning players, 3 of which were regular starters for the team this year. The 3 outstanding players were Jan Wray, Diana Knapp, and Linda Peterson, the last two being tied for the highest batting average. The team, led by Co-captains Diana Knapp and Joan Wray and coached by Miss Stacks, emerged with the most successful winning season at Jefferson which is due greatly to their fine defensive playing.

This year's track team was very successful.

Although the season record of three losses and two wins may at first seem disappointing, it does not reveal the true strength of the team. Two meets were lost by margins of only five points, and one meet was won by over twenty points. Also, the TJ track team beat every other team in the county at least once, and made great team records. The team placed fourth in the district, fourth in the region, and sixteenth out of seventy at the state meets.

Among the records broken this year were: the 100-yard dash, broken by Perry Linn; the one mile run, broken by Rick Cummings; the 440, broken by Perry Linn; the 880, broken by Rick Cummings; the 220, in which Perry Linn tied a record established in 1966; the two mile run, broken by Tim Crowley; the pole vault, broken by Steve Mackinnon; and the discus, broken by Tom Ward.

This was the most successful track team in Jefferson's history. Coach Hess also holds great hopes for next year. Our mile and two mile record-breakers will be returning, along with lettermen in the broad and triple jump, and promising hurdlers. Coach Hess hopes to see many records fall next year.

In early May, the Band, the Colonialettes, and the Majorettes traveled to Louisville, Kentucky, where they marched in the Pegasus Parade on Thursday before the Kentucky Derby. They also ate at Fort Knox and saw time trials at Churchill Downs race-track. The eighteen hour bus rides were well worth it when they came back with an invitation to the Derby itself in 1970, where they will be the only band except for the University of Kentucky band.

In the colonial atmosphere of Gatsby's Tavern, Alexandria, the fourth graduating class of Thomas Jefferson High School attended their Senior Prom. This event was the last in the series that marked the five-year life span of the Class of 1969.

COMMENCEMENT

On June 6, the Thomas Jefferson High School Class of '69 reached the climax of twelve years of good times and hard work. After marching in slowly to the music of the concert band, they were entertained by selections presented by the choral department. The class was then welcomed by Mike Straight, as class president, and Mr. Jordan, the principal. Mary Lee Mizell, as valedictorian, presented the class with some parting thoughts, and Penny Pillet, the salutatorian was introduced. Other awards were also presented.

Finally, the diplomas were presented by Mr. Jordan, and the class left with mixed emotions, each person looking hopefully towards the future, but regretfully realizing that their class was together as a whole for the last time.
